OPERATION CORPORATE : REQUISITIONING OF SHIPPING

Following the OD(SA) discussion this afternoon the draft paper on reinforcement by 5th Brigade has been produced as an OD(SA) paper for formal discussion on Sunday. It has also been agreed that there should be another paper addressing specifically the requisitioning of shipping for the reinforcement. You were present at a discussion in the Department of Trade about this this afternoon and I should be grateful if you, together with copy addressees as appropriate, could produce a draft of a paper by 1200 tomorrow. The Department of Trade should also be consulted.
