

10 DOWNING STREET

THE PRIME MINISTER

Friday 31 July 1982.

My dear Edward.

A note to say how very much I enjoyed seeing you the other day. I know that Leeds - and other Universities are having problems about finance - but they seem comparatively small compared to the many problems that confront me!

Parliament has risen today and I am much looking forward to a holiday when I can re-charge the batteries of the mind with a bit of reading.

Every good wish.

Yours affectionately

Margaret
