

PRIME MINISTER

We have had this in mind for some time. You have Defence, perhaps water, and Industry in January. I doubt whether we will manage this before Easter, unless we go for a brief lunchtime visit.

PRIME MINISTER

After Cabinet this morning you told me that you were thinking about visiting the CSD at some time in the future.

MAD 13/12/79

We should very much welcome a visit from you, and hope that it may prove possible.

In particular I would welcome the chance of talking to you about staffing levels in the Civil Service.

P.C.

I must be to go. 16-11 "my" department. *rw*
