- 1) GF's note of meeting held on July 25th was read and approved. There were no matters arising.
- 2) Conference fringe meeting: Following Paul Johnson's withdrawal as speaker it was agreed that Hugh Thomas should be asked to take his place and that KJ would also be asked to speak. It was also agreed that Prof. Thomas should receive a fee of £50 plus expenses.
- 3) Unemployment speech : KJ said that the speech had received excellent publicity in The Daily Telegraph, the Sun, and The Sunday Times, although there had been a disappointing response from radio and television. AS was asked to draw up an action schedule listing further ways of putting our argument. GF was asked to draft a letter to the BBC asking for the opportunity to put the arguments on unemployment which so far they have ignored.
- 4) Managers Handbook: GF said that following Professor Sykes' reluctance to continue with the project, he was seeing Tad Rybczynski to discuss alternative authorship.
