

FINCHLEY.

10 DOWNING STREET

Prime Minister

1. There was a report in yesterday's Sunday Express that the Boundary Commission would reduce the Barnet seats from four to three. As you probably already know, this is incorrect. The recommendations will state that the four existing constituencies should remain.
2. Alison sent a telegram of good luck to your Euro Candidate as well as ringing him on your behalf.

He will be coming for a drink next Monday with the Finchley workers and the following week with the European victors. He has been well taken care of.
