HOUSE OF COMMONS
LONDON SW1A 0AA

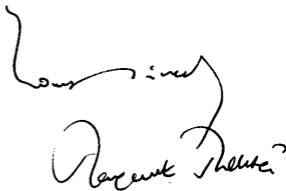

1st October 1975

Dear John.

I am writing to thank you for all the help you gave me over the National Press Club speech. I am very grateful.

My North American trip was very exciting and I think that it proved successful. The Washington part of the visit was obviously the most interesting and I am glad to say the speech to the Press Club was well received.

I hope that we can meet again before too long. I am immensely grateful for your help.
