

10 DOWNING STREET

THE PRIME MINISTER

Monday

Dear Mr. Rufus.

Thank you for a very happy evening and dinner party on Thursday. It is always a pleasure to talk with Chancellor Schmidt, and this time even more so because of the pleasure his address to Her Majesty gave to us all. And he made such an enchanting and appropriate speech. I was also delighted to have the chance of talking to Karl Popper whose work I have long admired.

And it was such a delicious dinner and a warm and friendly atmosphere.

All good wishes.

Yours sincerely

Margaret Thatcher
