

## 10 DOWNING STREET

THE PRIME MINISTER

19 June 1979

Dear Mr. Slatter,

I was delighted to receive your kind invitation to become Vice-President of the Bucks County Cricket Club and my husband and I would certainly like to establish some local links as we intend to make use of Chequers frequently. As I am sure you know, my husband has been active in sports in younger days and still retains a strong interest. Might I suggest, therefore, that you invite him, rather than me, to take on the role of Vice-President. I know he will be very pleased to do so.

Yours sincerely,

(signed) M.T.

P. M. M. Slatter, Esq.
