25. James' birthday; coming out of army in May (I regret this)  
Kate back from School. 3 best TV programmes. Got US Visa  
at embassy. Saw Foot in H.C. this morning he was very cock & hoop.  
and complained of what I said in TULR Bill. The concessions, he  
claimed, were there from the start. He said my reference to him as  
Robespierre had cost him 20 votes. I said "More like added 20 votes;  
so long as I abuse you, you will prosper with yr. own party."  
Wilson was lunching in the dining room with Rees and de Freitas  
and I wished him goodspeed. I said: "I still don't know why you  
did it" "Didn't you read my statement" "Every word".  
He recalled the Bryan Maltree interview at the time of Profumo.  
He said Von Braun, a German, was the "headless man" & that  
he had learned this afterwards
