

FROM: THE RT.HON. SIR KEITH JOSEPH, Bt. MP.

KJ/SMC

Michael Heseltine Esq., MP.

29th August 1978

Thank you for your letter of 18th August. I note all the points you make and think it is an excellent idea for Hugh - to whom I am copying this letter - to be encouraged to put forward his thesis as qualified by your comments in an article, as you suggest - and hope that he will do so.

Perhaps Margaret - to whom I am copying this letter - would like to see the final draft before it goes to the Estates Gazette. And I would be grateful, if Hugh agrees, if Angus and I might have a copy too, please, when you and he are satisfied with it.

C.c. Rt.Hon. Mrs. Margaret
Thatcher, MP
Hugh Rossi Esq., MP.
