

THE RT. HON. MRS. MARGARET THATCHER, M.P.

HOUSE OF COMMONS
LONDON SW1A 0AA

25th May 1978.

Dear Mr. Newhart,

It was most kind of
you to write. I love the
Natty Valli recording. The script-
and timing are superb. And humour
would be vital on a desert island - as
everywhere else! Especially in politics.

All best wishes,

Yours sincerely
Margaret Thatcher
