23 March 1981

THE PRIME MINISTER

Dear Dr. Bray,

Thank you for your letter of 12 March. In the light of all that you say in that letter, I wonder whether it might be best for you to talk to Alan Walters about the arguments you have been putting forward. I know that he would be very glad to meet you. Perhaps you would like to get in touch with him direct.

Yours sincerely

Margaret Thatcher

Dr. Jeremy Bray, M.P.
