

Prime Minister.

U.N. telegram

to which fortunately
Anthony Parsons replied 'No' Mr.

The telegram you did not
like was drafted on the

Foreign Secretary's personal
instructions. Mr Pym would

like 5 minutes before OO(SA)

to explain to you his reasons

for saying what he did in the

telegram.

Can I tell him you will
see him at 9.55. before the others
come in? ALW.
