

10 DOWNING STREET

From the Press Secretary

27 November, 1979

Mr David,

This is to confirm my secretary's telephone call that the Prime Minister is prepared to appear in your "Weekend World" programme on January 6, 1980 on the basis of a 52-minute interview by Brian Walden.

You will, of course, appreciate that, in giving this undertaking so far ahead, it must be subject to events but, for our part, we do regard it as a firm undertaking.

Before Christmas, I would very much like to have a further talk with you about the areas of questioning and my secretary will give you a ring before we go away for Christmas to invite you to come in for a drink and a talk. We shall no doubt wish to have a further discussion very early in the New Year.
