Prime Minister's meeting with the National Officers  
and Area Chairmen of the Young Conservatives - Tuesday  
12th January 1982

---

1. Is this meeting now confirmed, please?  
(Audience?)
2. If it is confirmed, can the unspeakable Iain  
Picton come quarter of an hour early? You ought  
not to be too cross about this. He was  
threatening to seek a separate audience.  
Bearing in mind the earlier defections from the  
YCs to the S.D.P., it is important to keep him  
on side; I gave him a drink at the House last  
evening. He is bearded and unemployed.

IAN GOW

Confirmed if no audience  
[which I doubt there  
will be] O.K. for I.P.  
at 17.45. I assume  
you will invite.

Prime Minister

Could you please confirm that in view  
of the fact that you are speaking at the  
Annual Young Conservative Conference  
in Eastbourne next year, you do not  
wish to meet them on a separate occasion?
