PRIME MINISTER'S
PERSONAL MESSAGE
SERIAL No. T 92 09/82

Dear Prime Minister

On our departure from London, I send the heartfelt thanks of my delegation and myself to you and to the Government of Great Britain for the kindness and warm hospitality which have been shown to us during our visit to your country.

I am most honoured to have been granted an audience with His Royal Highness The Prince of Wales and am very appreciative of the valuable discussions that my delegation have had with senior members of your Government.

In particular, I wish to take this opportunity to express my deep appreciation to you for sparing some of your valuable time during a very critical period to turn your thoughts to issues of mutual interest to our two countries.

Our discussions have reaffirmed my conviction that Great Britain is one of the most valued and dependable allies of Thailand. I am glad that our two countries which have shared such a long history of harmonious relations continue also to share a common political view of the world. Please be assured of the support and understanding of my country in these difficult and uncertain times.

Please accept, Prime Minister, my very best wishes for your continued good health and success.

Yours sincerely

P. Tinsulanonda

General Prem Tinsulanonda
Prime Minister of Thailand

The Right Honourable Margaret Thatcher, MP.,
