THE PRIME MINISTER

30 June 1980

Dear Douglas and Eleanor,

I just wanted you to know how delighted Denis and I are to be coming to Switzerland for a week in August. This is marvellous news and will be a wonderful break for me. It really is so good of you and Eleanor to have us and I hope we will be the minimum of trouble. I am so pleased that the Bishop of Ely and his wife will also be there.

Denis and I are looking forward to seeing you both at Chequers for the night of Saturday 26 September.

Yours ever
Margaret

Sir Douglas Glover, TD
