PRIME MINISTER'S  
PERSONAL MESSAGE  
SERIAL No. T136A/82

Dear Prime Minister,

It was such a pleasure seeing you today. I greatly enjoyed our talks. There are many important things which Britain and Jamaica have to do together.

But I write to thank you for the beautiful gifts which were delivered to my office. The picture is delightful, and I shall treasure the pewter spoons and the coins.

I do hope you enjoyed the rest of your programme.

Warm regards to Mrs. Seaga.

Yours sincerely  
Margaret Thatcher

The Rt. Hon. Edward Seaga, M.P.
