PERSONAL MESSAGE
SERIAL No. T 153A/79T.

Dear Taoiseach,

Thank you for your letter of 19 November with which you enclosed a copy of the Report prepared by the Committee of Wise Men.

I, too, look forward to a discussion of the report at our meeting in Dublin. In view of the extremely short interval we shall have had in which to study it, the most practical procedure will no doubt be to refer it to Foreign Ministers for study with a view to our taking decisions at our next meeting, in March.

Yours sincerely

James Dolan

Mr. Jack Lynch, TD, An Taoiseach.
