

PRIME MINISTER

Dinner with Benchers of Lincoln's Inn, 16 October

I am rather irritated with this letter from Sir David Renton as there was no mention of a speech in the first letter. However, I hope this is something that you can do off the cuff? I will ask DT separately if he would like to attend.

es.

Nothing will be  
considerable speech.  
I shall have to  
do the same and  
it would be  
off the cuff!

PRIME MINISTER

Obviously if you wished to dine with the Benchers of Lincoln's Inn I can find you a date. *We have to.*

In regard to the last paragraph of Sir David's letter do you have a coat of arms and if so do you have any objection to it being displayed in Hall?
