

10 DOWNING STREET

THE PRIME MINISTER

27 July 1981

Dear Sir,

Many thanks for your letter of 13 July, and for your message of concern for my welfare. It was a kind thought.

My visit to Liverpool was in fact very useful, and as you suggest, it confirmed my belief that prosperity and stability in our society have to be worked for.

Yours sincerely,
Margaret Thatcher

The Hon. Walter Annenberg
