Mrs. M. Thatcher,
Prime Minister,
10 Downing Street,
LONDON

Dear Prime Minister,

Following our meeting of Friday, 14th March, 1980 at the Station Hotel, Hull and your kind invitation to accept a delegation of the City's interests involved in the fish landing and its subsidiary industries, I would now ask that we be given a date on week beginning the 13th April, 1980 or the 20th April, 1980, at a time and day most suitable to your goodself, in order that we may submit our proposals for Governmental help to ensure a continuing role for our fish landing industry.

It would help greatly if we could omit, Wednesday, 16th April, 1980 from the alternatives, as it coincides with my quarterly Regional Committee.

I would like to thank you for your courtesy and attentiveness when listening to our plea and may I thank you also on behalf of my Trade Union colleagues for agreeing to retain a personal interest in our plight.

Thanking you and God Bless.

Yours sincerely,

David Cairns

Prime Minister

You will remember agreeing to Mr Cairns' request that you should meet a delegation when they had some proposals to present on the future of the Hull fishing industry. Content for Cairns to find a suitable 45 minutes? Would you like Mr Walker to accompany you?
