THE PRIME MINISTER

Dear Class 3F,

I was so sorry to hear about the death of one of your teachers but I am very pleased that you are trying to raise money for a kidney machine. I enclose my autograph and hope that with all the others you receive you will raise a lot of money for this important cause.

Yours sincerely
Margaret Thatcher

Class 3F P.S. You ask about my own school days. I remember every class and every teacher vividly and the day we saw a radio (then called wireless) the first time! etc.
