

10 DOWNING STREET

PRIME MINISTER

Patrick Neill (Warden of All Souls College, Oxford) has invited you to a guest night in Oxford on Saturday 23 February. I would not have bothered you with this, but I know this is something you have always wanted to do. It is 1900 for 1930 - you would be away by 2200 - about 100 people - no speeches. It is a free weekend and I attach a copy of the diary for that period.

Don't forget you can easily go from Chequers.
