PROJECTED MEETING BETWEEN THE CHANCELLOR AND THE CLEARING BANK CHAIRMEN

Wiggins rang this afternoon both to confirm your meeting with the Chancellor at 9.00 am tomorrow and to say that the Chancellor was under strong pressure from the Prime Minister for him to hold a meeting with the Clearing Bank Chairmen. This latter meeting would, he said, have to take place next week and not later than lunch-time on Thursday 18 September. He asked us to consider what might be a convenient date and time and to revert.

John Wiggins has now suggested 5.30 pm on Wednesday 17th September for 3/4 - 1 hour.
