

EXECUTIVE OFFICE OF THE PRESIDENT
OFFICE OF MANAGEMENT AND BUDGET

DATE:

11/19/89

TO:

FROM: ROBERT E. GRADY
ASSOCIATE DIRECTOR
NATURAL RESOURCES, ENERGY AND SCIENCE

To Gov. Sununu
Dick Darman
Alan Bromley
Steve Danzansky
Boyd Gray
David Demarest

I thought you might find Mrs. Thatcher's recent speech to the UN re: Global Warming of interest. It was pretty well received. What I found striking however, is that the President could easily have given this speech & taken credit for an aggressive posture (see pp. 7+8) with very little change in current policy required.

Bob G.
