

10 DOWNING STREET

THE PRIME MINISTER

16th April 1952

Dear Lady Palliser,

It was very kind
of you to write - your letter
was so welcome at this
difficult time.

We just have to keep
calm and firm and make
the best decisions we can as

DSS

each day comes. But
Principles do matter and
we have to adhere to them
throughout these trying
times.

Every good with.

Yours sincerely

Reginald Shelton
