Professor F.A. von Hayek,

Postfach,  
West Germany.

Dear Professor Hayek,

I have now had a meeting with some senior hierarchs from BBC Radio 3 and 4 and have consulted them about a possible opportunity for you.

I noticed that they both at once remembered with relish your evidently successful interview by the hapless Lord Vaisey on "Social Justice". They showed familiarity with and great respect for your work. It appears, however, that they would regard an interview as difficult to arrange because you are in a class of your own but, if one could be arranged, more appropriate than a straight talk on a subject as difficult as the one you have in mind.

I suggest that you might like to send your paper to George Fischer, Head of Talks and Documentaries Radio, BBC, Broadcasting House, London W1A 1AA, expressing your interest either in delivering it as a talk or in being interviewed on the subject.

Lindy,

Keith (Joseph)
