

10 DOWNING STREET

THE PRIME MINISTER

8th Jan. 1961.

My dear Lord Goodman,

You gave us a wonderful evening at the Opera and a delightful supper party afterwards. Everything was perfect - but above all there was a warm and friendly atmosphere that made for everyone's enjoyment.

The production of Tosca was excellent and it was a rare

heart. To be able to talk to
the conductors afterwards.

You are very kind to
us - and indeed to everyone - we
do indeed value your friendship
and thoughtfulness. We look forward
to seeing you again before long.

Yours sincerely
Margaret Shelton
