

PRIME MINISTER

Captain John Moore, R.N. (Retired)

1. He delivered to The Dog House on Sunday two manuscript letters.
2. These have now been typed out, and are herewith.
3. As you know, John Moore, for whom I have a great respect, is neither liked nor trusted by the Ministry of Defence hierarchy.
4. Is there any further action which you would like me to take about this?

17th March 1982

IAN GOW
