

1922 C/5e

19 October 1976

Thank you so much for your letter with its kind message from the Executive of the 1922 Committee.

I greatly appreciate that they should have chosen to send me such words of encouragement. Please thank them for the message and for the wonderful help and support which they give me, and which I know is echoed throughout the Parliamentary Party.

The Rt. Hon. Edward du Cann, M.P.
