THE PRIME MINISTER

Dear Laurence,

How very thoughtful of you to send me an extract from Sue Finley about Carol. Although we do keep in regular touch I am always pleased to have news of her and Sue Finley's was no exception.

With all best wishes,

In usual haste

Lawrence

P.S. You must come in again soon. There are lots of other problems to solve following Rhodesia. And it is P.T.O.

Wonderful to see you anyway.
