PRIME MINISTER'S

MESSAGE TO THE BELGIAN PRIME MINISTER FROM THE PRIME MINISTER

PERSONAL MESSAGE

SERIAL No. T 139 / 82

"I am very much looking forward to seeing you on Monday at the European Council. I thought I should tell you now that to my regret it looks as though I shall have to leave Brussels on Tuesday before the proceedings of the Council are completed. In view of our domestic situation, and in particular the prospect of a national rail strike next week, I feel it necessary to be in my usual place in Parliament on Tuesday afternoon to answer Prime Minister's Questions. This will necessitate my departure from Brussels at about 11 o'clock a.m. Or, depending on events here, late Monday night. I hope the bulk of the Council's work will be completed by then. Francis Pym will, of course, stay behind to represent me.

I am so sorry that this is necessary. I shall much enjoy seeing you again.

Margaret Thatcher"
