THE PRIME MINISTER

17 September 1981

Dear Ian.

Thank you for your letter of 14 September. I, too, was delighted to see the letter from the Merseyside company about their success with their Thames Barrier contract. As I am always saying, I only wish the media would make more of the successes and less of the failures: for all the difficulties of the recession, there are a great many examples of companies producing their product at the right price and on time, and prospering.

Yours ever

Margaret
