THE PRIME MINISTER

16 April 1982

My dear Lord Lowry,

Thank you for your letter. It was a kind thought and a great encouragement. It has been a tiring two weeks as we wrestle with the difficulties of finding a peaceful solution. Your letter came at just the right moment.

And we must not let our new problems crowd out our anxiety about the old ones. I am very conscious that too many lives are still being lost in Northern Ireland.

The Right Honourable the Lord Lowry

Yours sincerely  
Margaret Thatcher
