R.24 22nd April 1982.

Dear Prime Minister,

Last Saturday is a day that I shall always remember. I enjoyed myself very much and I am so grateful to you for making it possible for me to paint a picture of Chequers.

It is always rather a daunting prospect before starting work but I hope that the picture will turn out

as you would like and I shall do
my best to disguise the walls!

Thank you again for a happy
day and I look forward to starting
work at the beginning of May.

Yours sincerely,
Jonathan Wavender.
