THE PRIME MINISTER

25 May 1979

Dear David

Many thanks for your letter of 21 May and nothing would give me greater pleasure than to dine with the Benchers of Lincoln's Inn. I cannot manage the first date you mention, 27 June, as I shall be in Tokyo for the Economic Summit meeting but would love to go firm for Tuesday 16 October - Government duties permitting of course.

I feel very honoured that you are allowing me to display our coat of arms - Denis is looking into this and we will have to come back to you at a later date.

Yours ever  
Margaret

The Rt. Hon. Sir David Renton, K.B.E., T.D., Q.C.
