THE PRIME MINISTER

21 July 1980

Dear John.

Thank you for your letter of 15 July about the 18th Congress of the World Federalist Movement in Tokyo. I should be happy to do as you suggest, and enclose the text of a message which I have asked our Embassy in Japan to have delivered to the Congress.

Yours sincerely
Margaret Thatcher

10 DOWNING STREET

THE PRIME MINISTER

I was for some years a member of the Parliamentary Group for World Government, and its aim of a democratic world without wars is very close to my heart. The British Government is a staunch supporter of efforts to improve international peace and security. I send my greetings to the 18th Congress of the World Federalist Movement, and I hope that your discussions will produce constructive ideas for the benefit of mankind.
