

C. K. JOSEPH
MP

HOUSE OF COMMONS

26 February 1975

Thank you so much for your letter of 20 February about Ralph Bateman and the campaign against the Industry Bill. Of course, the more opposition there is the better, but, as you say, it must be co-ordinated.

I am seeing Ralph Bateman this evening and I hope that we can press ahead with the meetings with top industrialists.

[Handwritten initials]

The Rt Hon Sir Keith Joseph Bt MP
