Dear Stephen, SW 19/9

PRIME MINISTER'S SPEECH IN BRUGES

The publication of the National Consumer Council report on the CAP has clearly brought that issue very much to the fore again and I believe that the Prime Minister will probably want to have a section dealing with the CAP in her speech in Bruges. It might be best for the Cabinet Office to co-ordinate a passage which could be used, consulting other Departments as necessary. I should be grateful to have this by Wednesday 7 September, together with the other comments.
