THE PRIME MINISTER

19 June 1979

Dear Reg,

Thank you for your letter of 13 June about the possibility of your publishing a book on trade unionism, to be written jointly with Bruce Anderson.

I am entirely content that you should go ahead with this, but I should be glad if before the text is submitted for publication, you could let Jim Prior have a look at it so that he can give it his blessing.

Yours sincerely
Reginald

The Right Honourable Reginald Prentice, M.P.
