THE VICE PRESIDENT  
WASHINGTON

October 26, 1986

The Right Honorable  
Margaret Thatcher, M.P.,  
Prime Minister,  
London.

Dear Madame Prime Minister:

On November 15, I will be heading west and thus will not be able to attend the larger meeting at Camp David.

I do not want to miss having a chance for a good chat provided, of course, that it can comfortably fit your schedule.

Barbara and I would love to have you come across our fence and have breakfast with us on Saturday the 15th. You could then proceed to Camp David by chopper right from our helo-pad at the Observatory (same as last year).

If breakfast is too complicated perhaps I could come to call on you at your Embassy at your convenience. If none of this is convenient I will certainly understand, but I hate to have you so nearby without a chance to have a visit of some sort.

Bar joins me in sending our warmest best wishes to you and to Dennis.

Most sincerely,

George Bush
