THE PRIME MINISTER

*Dear Ted,*

Thank you for your letter of 20 May, which has just been received here, and for the enclosed paper on the issues to be discussed at the North-South Summit in Mexico.

I shall of course read your paper with the closest attention and will ensure that it is taken fully into account in the preparation of my briefing for Mexico and for the earlier Summits at Ottawa and at Melbourne.

*All good wishes,*

*Yours ever*

*Edward Heath*

The Rt. Hon. Edward Heath, M.B.E., M.P.
