

Foreign and Commonwealth Office

London SW1A 2AH

22 April 1982

A J Coles Esq
10 DOWNING STREET

Dear John,

When he returned from the European Council meeting on 29 March, Sir Michael Palliser told us that the Prime Minister had been very taken with the photograph of herself which had appeared in one of the Flemish newspapers.

/ Here are a couple of 'glossy' copies which you might wish to pass on ...

*Yours ever,
Barbara*
