

Wages, 1. Cash index must be
less than 12 1/2

1972
COMMITTEE.

HOUSE OF COMMONS
LONDON SW1A 0AA

25th June 1980.

PRIME MINISTER,

E. ds. C.

T. G.

1. P. 4 Great problem - public sector pay.
2. T.S. n. 3 Higher than us.
3. We must decide the two together.
4. 1.0 C. 2000
 - a) How do you see the strategy.
 - b) 10-day discussion about what hell this is.
 - c) We must get it put to bed.
 - d) We don't want to be bothered with this any more.
 - e) What we do not fit in with the strategy of the Govt.
 - f) We must not put up something which will be defeated.
 - g) If you want 9% in wages in that that will be defeated!

4. We will be better — P. 13
That would not help relations with our
own good business.

11. There are the problems will be the last to
fall.

5. I hope to take a lot of you may
12% , I will try it.

6. as Personnel / Secretariat.

7. Allowances + beers.

8. Director

9. Master Palatine Salaries.

10. next year outside of that trade then nothing
can be got in an outline.

11. Then be be be.

7. Palatine — Get on do it for Palatine.

8. This is a part of the problem — How of
Common Common — cost of running Palatine.

Proper to account
Books.

9. Methodical methodical.

Very difficult to get outline.

10. the best it would with Personnel not in defence.
