PRIME MINISTER'S

PERSONAL MESSAGE

SERIAL No. T235/82

Dear Prime Minister,

I write to thank you warmly for the arrangements made by the Danish Government for last week's European Council. Your hospitality was most generous and, if I may say so, you steered us through the discussion of difficult subjects with great skill.

May I thank you, too, for the beautiful book and table lighter which you gave me as mementoes of the occasion.

Yours sincerely  
Margaret Thatcher

His Excellency Mr. Paul Schlüter
