THE PRIME MINISTER

Dear Carla,

How generous and thoughtful of you to send me the little enamel box which commemorates the marriage of the Prince and Princess of Wales for my birthday. It is really lovely.

Many many thanks, and I much look forward to seeing you and Peter for dinner on Wednesday, 28 October.

It was an interesting and rather lively conference. The standard of speeches from the floor in the economic debate exceeded anything previously heard. I think the press would have preferred more dramatic and sensational disputes - but we can't please them! Love to you both.

Lady Thorneycroft

Yours ever,  
Margaret
