THE PRIME MINISTER

15 June 1981

Dear Mr. Robinson,

Thank you for your letter of 8 June, following my exchange of correspondence with Mr. Wilson.

I have made it clear that I will always see a Member in whose constituency there is to be a closure, or a major redundancy programme. I am therefore ready to see you to discuss the redundancies announced by Jaguar Cars, and I shall ask my office to be in touch with you to arrange a suitable time.

Yours sincerely
Geoffrey Robinson
