Dear Miss Haxse

Enclosed is the form
you gave me to complete during my
interview with you at the beginning of this
month. Also a typewritten sheet briefly
setting out my qualifications, experience etc., and
the kind of post I am seeking, which search
you kindly promised to help me with.

I am already in touch with the
Technical & Scientific Registry, the Ministry
of Labour Appointment Board and the Oxford

University Appointments Committee

Yesterday I had interviews with Unilever and British Oxygen Company but neither had any vacancies at present.

Yours sincerely,

Harriet N. Roberts.

P.S. The adoption meeting at Dartford has now been fixed, on Feb. 24th.

19th February, 1949.

Thank you very much for your letter and for returning me your candidate's form. Also for the brief record of your qualifications, in case we can hear of any suitable opening for you. We will certainly do what we can about this.

M. MAXSE,

Miss M.H.Roberts,
42, Cambridge Road,
Colchester.
