Prime Minister

Dear Prime Minister,

Thank you very much for your warm wishes on the day of my appointment to the office as Danish Prime Minister. I would like to let you know that my first guest in that capacity happened to be your Foreign Secretary Francis Pym. We had a long and fruitful conversation on a number of relevant problems with regard to the Common Market, and especially the relations between Western Europe and the United States. I benefited greatly from Francis Pym's experience.

I look very much forward to meeting you at the European Council in Copenhagen in December.

You will remember that the former Prime Minister sometime ago invited you to pay Denmark an official visit. Needless to stress that we would be extremely honoured if you could find time to make the visit come true.

With my best wishes,

Yours sincerely, v v

Paul Sørensen

Prime Minister of Denmark
